

AMARVANI SCHOOL

Amarvani School is a Catholic minority school started in June 1993. The aim of the School is the education of the Catholic Community and extends its services to members of other communities.

The school aims at the formation of intelligent and morally sound, sensitive youth ready to take up their place in the world. The school stands for academic excellence and character formation. Its ultimate end is the integral development of each individual, based on the love of God and the service to all with a view to training citizens remarkable for all round development and sincere commitment to God and humanity.

Education equals enlightenment. An enlightened person is fully alive. He/she is alive to self and others (society and country) in loving service. This is the spirit of our motto. The lamp in a hand symbolizes that we bring light to others to dispel darkness. Christ himself, being the enlightened one, spoke about the light. "Let your light shine before all that they may see your good works and give glory to your father in heaven".

"From the unreal lead me to the real
From darkness lead me to light
From death lead me to immortality"
