

## **ABOUT THE SCHOOL**

St. Vincent's Convent Sr. Sec. School is one of the oldest, private, un-aided and Christian minority educational institution at Balasore dedicated to the service of fostering intellectual and personal development of the young learners and transforming them to be committed and competent individuals.

The School established in 1974 at Balasore, was in fact the realization of a dream emitted by Late Rev. Monsignor Jacob Vadakeveetil then Apostolic Administrator of the Diocese of Balasore. The school is under the religious jurisdiction of the Roman Catholic Diocese of Balasore and its chairperson is Rt. Rev. Dr. Thomas Thiruthalil, the Bishop of Balasore. The school is administered by the Sisters of the Congregation of the Mother of Carmel. Sr. Archana CMC is the Present Principal of St. Vincent's Convent Sr. Sec. School.

From its humble origin with 80 students the school has grown to a full – fledged institution with nearly 2000 students and today it is regarded as the premier institution of Balasore providing quality education to the children of this locality. With well – defined objectives in mind, the Vincentians, day by day grow in dimension and in strength. The school has been journeying for the past 37 years, with a very rich cultural – heritage. Every academic session had been unique and different. The Vincentians discovered new possibilities and did dare to implement.

The students embark upon, a unique journey where they discover a powerful system to realize the potential of their mind, body and spirit. They learn to live together with greater passion, purpose and peace. This is due to the commitment expressed by the Management, Sisters and the staff. With positive attitude, it provides appropriately contextual learning experiences to the young minds. Committed and competent, the Vincentians shine.

The school has acquired a unique system of motivation and self discipline and is well known for a sound character formation and quest for excellence. The school has a legacy of excellence in curricular and co-curricular fields and it is marching forward achieving accolades and winning laurels in various spheres.
