

**ISPAT ENGLISH MEDIUM SCHOOL, SECTOR – 22**  
**A BRIEF NOTE ----**

Ispat English medium school, Sector – 22 took its birth in the year 1963 as a Nursery School under the management of Rourkela Steel Plant. From such a humble beginning the school grew in stature and strength as a full fledged school under the guidance of the then Principal and the staff members. Now it is a prestigious institution of the state because of the hard labour and discipline of students in field of academic , co-curricular , intramural above all in science.

The school is a basically a co-educational institution which prepares students for ICSE examination. The students are from different cultural socio-economy background. The school firmly believes in the all round development of students and put emphasis on character building to develop all the good qualities, sense of discipline , responsibility, initiative and self – reliance in a free and friendly atmosphere.
