

A SHORT WRITE-UP ABOUT THE SCHOOL

S.C.B. Medical Public School, started on 15th August 1972. The school handled the one-rous responsibility of imparting education to the children of the staff of S.C.B. Medical College & Hospital and the neighbour hood. It aims at forming “new persons” who foster universal and eternal values by careful cultivation of mind, heart and body and thus making the students fully alive to bring about a just human society. The staff and management strive to mould the students to be intellectually integrated with a sense of commitment to the cause of upliftment of society. The school strives to live upto its motto ‘Knowledge is power’.
