Daniel Public School an English Medium School run by minority community management (DANIELS), affiliated to C ISCE ,New Delhi,

It was founded by Late Richardson Edwin Daniel on 26th January 1981. The School aims at the education of all children unmindful of caste, creed, colour, religion. It stands for academic excellence, development of skills and character formation. Our School moves with the era ,so as to cope up with modern Students Smart classes and LCD teachings were introduced .

The School gives greater importance on activities like P.T. Games athletics to facilitate a healthy growth of body and mind and also to develop team spirit and sportsmanship. Besides these , Dramatics, Outings, Debate, Quiz, Science Exhibition and Educational Tours are encouraged to develop character and to promote interest in community life.

Our constant effort is to build our students with Morals, Values and Facts, therefore the school provides an ambience of liberty, love and cheerfulness to help the students to grow into mature, intellectual and socially oriented human beings. They are provided with technological know-how, communicative skills and leadership training as part of their educational programme to tackle the future with ease in every situation.

An impossibility which we made possible by pulling out children from the web of illiteracy. Therefore the out comes are IAS, IPS & other High rank officials serving around the World are to the credit of the Institution. Our children can be seen anywhere in Indian Metropolitan and around the Globe with working capabilities to become self sufficient in the global competition.
